A step-by-step procedure for the purchase of standards

1. **User registration:** The user/ purchaser needs to register themselves on the website:
<https://www.oisd.gov.in/register>
2. The purchaser needs to provide the details of the organization as required in the registration form and submit.
*Domestic Industry users are requested to update their GSTIN details in the form as well.
3. After approval, the user will receive an email from OISD with login credentials to access the OISD Portal for identifying and selecting standards required to be purchased.
4. The user can now apply for the purchase of the standards required by the industry. At this stage, OISD will generate a pro forma invoice which will be available on the user's account and sent via email to the registered email id also.
5. The industry has to make online payment (without any convenience fees or transaction charges) according to the pro forma invoice by visiting the link below:
<https://forms.eduqfix.com/oisdnewform/add>
6. **Download of standards:** After the verification of the payment, the invoice and the standards will be made available to the user / purchaser on the website and shared via link to the registered email id for download.
7. For any clarification or support, the user may send an email to admn.oisd@gov.in and abhishek.oisd@gov.in or contact at +91 120 259 3882.
